RESEARCH PROFESSIONAL

We seek a highly skilled and motivated post-doctoral student in economics or finance to work as a full-time Senior Research Professional for a period of one year, with the option to be extended to a second year. Our preferred start date is July 2021, and end date June 2022, but this is flexible.

The Senior Research Professional will assist Zhiguo He, the Fuji Bank and Heller Professor of Finance and Jeuck Faculty Fellow at University of Chicago Booth School of Business.

The main job of the Senior Research Professional will be 1) supporting the teaching and preparation of the MBA course "Chinese Economy and Financial Market;" and 2) conducting ongoing research projects with Professor He on a wide range of topics including the Chinese economy and Fintech development.

The ideal candidate will possess (i) a doctoral degree; (ii) a strong quantitative background; (iii) strong computer skills including programming; and (iv) a long-term interest in pursuing research in China's financial markets.

The position is funded by the Booth School of Business, University of Chicago. We offer competitive pay and provide standard University benefits such as health insurance.

If interested, please submit your CV and cover letter to james.kiselik@chicagobooth.edu.

The University of Chicago provides equal employment opportunities to all employees, applicants, and job seekers. No person shall be discriminated against in employment or harassed because of race, color, religion, sex, sexual orientation, gender identity, national or ethnic origin, age, disability, veteran status, genetic information, marital status, parental status, ancestry, source of income, or other classes protected by law. This policy includes the commitment to maintaining a work environment free from unlawful harassment.
