On behalf of the Illinois Department of Public Health's School Health Program, we would like to invite all Illinois' school nurses to register for our Fall Annual School Health Days conferences. School Health Program provides technical assistance and training to Illinois school health personnel serving over two million school age children. School Health Days will be held virtually this year on December 6 and December 14, with a max of 500 attendees for each event. The program maintains an email list through which information is distributed on a regular basis. To participate in the list, contact Marie Irwin at marie.irwin@illinois.gov.

Program Objective

The IDPH School Health Program provides information and training to keep school health providers abreast of current health requirements, communicable and infectious disease issues, current practices in the management of acute and chronic disease, education and grant opportunities, changes in public health rules and laws, and resources available through IDPH and other state agencies.

Target Audience

- Registered Nurse
- Licensed Practical Nurse
- Advanced Practice Nurse
- Licensed Professional/Clinical Counselor
- Licensed Social Worker

Continuing Education

Jointly provided by Illinois Department of Public Health and SIU School of Medicine

Within one week following the conference, attendees will be emailed a link to log in, complete the required evaluation and claim CME credit. Participants will have 30 days during which to complete this process.

Please Note: You must register in order to receive your access link to the virtual platform. If you use someone else's access link, you will not show up on the registered attendee list and will not be able to claim credit as you would be logged in as someone else.

Disclosure policy: It is the policy of SIU School of Medicine that speakers, planners, and anyone in control of content disclose real or apparent conflicts of interest relating to the topics of this activity and also disclose discussions of unlabeled/unapproved uses of drugs or devices during their presentation(s). The SIU School of Medicine Office of Continuing Professional Development has policies in place that will identify and mitigate all conflicts of interest prior to this activity. Detailed disclosure will be provided prior to the start of the activity.

Attendee Registration Fees

This conference will take place on December 6, 2022, and December 14, 2022. Attendees will select the one date they will attend during registration. The session information and speakers are the same for each date, so you will only register for one date. The deadline to make changes to the date you plan to attend is **November 16, 2022**. Once we reach capacity on one or both dates, the option will be removed.

- **Attendee:** \$45.00
- **Committee Member:** \$0.00
- **Accepted Speaker:** \$0.00

Payment

Payment is required at the time of registration. We accept credit card, check, or purchase order. Checks are payable to Illinois State University. After registration and payment are submitted, you will receive a confirmation email with further conference information.

Cancellation Policy

A full refund, less a \$15.00 processing fee, will be provided for any cancellation requests received prior to **November 16, 2022, at 8:00 am CT**. No refunds will be provided after that date. Substitutions will not be allowed after this date. Changes to the date you want to attend will not be allowed after this date. All cancellation requests must be submitted in writing via email to Meg at mdrhoa1@ilstu.edu.

Virtual Platform

All conference events will take place on a virtual platform. The platform is easy to use. Visit the website for more information on what to expect and when you will receive access to the platform. All sessions will be on the platform using Zoom.
