

# Artifact Bag Assignment

1. Choose a bag to put your items in. May be a bag that has meaning to you, or just a simple paper or plastic bag.
2. Find 1-3 school appropriate photos to include in your bag.
3. Place one of your favorite toys or stuffed animals in your bag.
4. Place 5 more school appropriate items in your bag that either describe you or are important to you. (Remember that your parents can help you!)

## Things to consider:

- Items MUST fit inside your bag and your bag MUST fit inside of your bookbag.
- All items/photos need to be school appropriate.
- You will need to explain why you picked your items, so please do not just choose random things.
- You are presenting on Tuesday 8/29, so come prepared!
- Don't share your items with any of your friends/classmates! We want everyone to be surprised.
