

Name: (Mr/Mrs/Miss *) _____ Matriculation No. : _____

Department: _____ Faculty: _____

Programme of Study (Major): _____ Stage of Study*: 1st / 2nd / 3rd / 4th

Mailing Address: _____

E-mail Address: _____

Telephone No.: _____ Handphone No.: _____

Signature: _____ Date : _____

**please delete as appropriate*

Please refer to the website: http://www.comp.nus.edu.sg/undergraduates/minor_cs.html for information on the Minor in Computer Science.

Eligibility for application:

Open to all non-computing students admitted in AY2013/2014 and after who are on the modular system. They must fulfill the pre-requisites to the minor modules.

Application:

1. Module bidding is done via Centralised Online Registration System (CORS).
2. Students are required to attach a copy of his/her GCE "A" Level results or equivalent, a copy of all NUS examination result slips, and a short write-up on the reason for taking up this Minor Programme.
3. Successful applicants will be notified by email. Please inform Mrs Kwek at kwekwk@comp.nus.edu.sg should you discontinue this minor.
4. All application forms must reach **SoC Office of Undergraduate Studies (COM1 #02-05) by 21st June 2013, 12.00 noon**. Late submissions will not be entertained.

Modules Offered in Semester I of AY2013/2014

- CS1010/E Programming Methodology
- CS1020/E Data Structures and Algorithms I
- CS2100 Computer Organisation
- CS2102 Database Systems
- CS2103 Software Engineering
- CS2105 Computer Networks I
- CS2106 Operating Systems
- Level 3 modules CS321x, CS322x, CS323x, CS324x

(See course schedule at: http://www.comp.nus.edu.sg/undergraduates/useful_course_schedule.html to find out the availability of module offerings sometime in mid July)

To help us plan for enough places for bidding using the Centralised Online Registration System (CORS), please indicate the modules you are interested to pursue in this academic year. You still have to bid for these minor modules online using CORS.

Sem 1: _____, _____ (AY2013/2014)

Sem 2: _____, _____ (AY2013/2014)

Please note that the schedules for modules stated above are subjected to changes.
