Youth Aspirations for Singapore

About Youth Aspirations for Singapore

The Youth Aspirations for Singapore Campaign encouraged young Singaporeans to express and share their hopes and dreams, and come forth to co-create Singapore's future. Young Singaporeans were encouraged to vote for the top 10 values and visions that they identified with for a better future Singapore.

2 Please see the 10 values and visions in the table below.

S/N	Values	Description / Meaning
1	Resilience	Having the courage and strength to overcome challenges together as a society. In the face of threats, Singaporeans have the ability to persevere and adapt to thrive as part of the Singapore Spirit.
2	Optimism	Optimism is to not only think and expect the best for Singapore, but to also be the best for the future of Singapore. It is about being positive and hopeful towards the success of Singapore as a nation.
3	Compassion	Singaporeans acting with care, kindness and empathy to others in the community.
4	Respect	Respect means to think good of others. It is also about acting in a way that shows care towards the feelings of others , regardless of race, religion and socio-economic background.
5	Active Citizenry	Being an active citizen who serves the community with all their heart through making positive impact in others so as to be able to shape Singapore into a caring society.
6	Sense of Belonging	Being well-grounded to the community. Building relationships and emotional ties with your neighbours and communities, thus developing a fond attachment towards Singapore.

7	Neighbourliness	It is about developing the " Kampong Spirit ". Reaching out and embracing the people next door and showing care and concerns for one another.
