Interim Building Hours and Access Policy (COVID-19)  
OP-15-17-1-e

Preamble:

Based on the COVID-19 Public Health Emergency and under the authority of UWS 21.06(3) Wis.Adm.Code the following Interim Building Hours and Access Policy is established regarding access to all buildings on all University of Wisconsin-Green Bay campuses.

The following policy temporarily supersedes OP-15-17-1 and terminates Interim OP 15-17-1-(a)(b)(c) & (d). This Policy shall remain in effect through the end of the COVID-19 Event or unlesssended sooner by action of the Chancellor.

Policy:

Commencing May 17, 2021 and continuing through the application of this policy, the following procedures and restrictions shall apply to access to buildings on any UW Green Bay Campus;

Building Hours:

- Green Bay Campus: 6:00 a.m. to 11:00 p.m. Monday through Friday  
  7:00 a.m. to 7:00 p.m. Saturday & Sunday  
  University Union, KEC and Residence Life, posted hours

- Additional Locations: Hours of operation determined by Campus Executive Officer and shall be posted

Requirements:

Unless exempted under the conditions listed below, all individuals who are present in any academic building must comply with the following actions to ensure the safety and protection of the University Community.
Testing

Consistent with **UWSA SYS 600-01** Spring Semester 2021 COVID-19 Testing
Requirements any faculty, academic staff, university staff, limited appointment, student employee, employee-in-training, temporary or project appointment who will come into any campus building once a week or more to conduct business must have tested negative COVID-19 through an antigen test, or negative through a subsequent confirmation test administered not more than 14 days prior to accessing the campus building. Employees will be required to confirm the negative test through the Daily Self-Assessment prior to coming onto campus.

Employees who have a confirmed positive test will not need to engage in continued testing for 90 days after the administration of the positive test. Isolation for the established period will continue to be required for any employee who tests positive.

Physical distancing

An individual must keep an appropriate distance between themselves and others at a distance not less than six (6) feet

Face coverings

Face masks or face coverings must be worn by all individuals present on campus when in the presence of others and in any setting in which it is difficult or impossible to maintain a six (6) foot physical distance from other

Cleaning and Hygiene

Individuals in University buildings shall adhere to posted recommendations regarding handwashing, cleaning and personal hygiene. Individuals shall use the resources provided to comply with this requirement.

Exemption:

Upon submission of any individual to the required process as established by UW-Green Bay Human Resources and UW-Green Bay Office of Student Affairs, an individual who satisfies all of the following will be exempt from the above testing requirements:

- The individual is fully vaccinated, meaning the individual has received all required administration of the COVID-19 vaccine not less than 14 days prior to request for the exemption
- The individual is asymptomatic
- The individual can provided required verification documentation to the above listed Office confirming the administration of the vaccination
Consistent with Center for Disease Control guidance issued May 13, 2021 individuals who have been determined to be exempt through the University process may also be present in campus buildings without face coverings and are not required to maintain social distancing from others who are fully vaccinated.

Regardless of vaccination status, no person may be present in any University Building if they have one or more symptoms of COVID-19. For purposes of this policy, this restriction excludes occupants of Residence Life whom may be present in their own room if symptomatic.

The above policy shall be reviewed on or before August 1, 2021 to determine continuation of these restrictions. The University, at its discretion, may change the building hours and the required authorization of individuals who may to come to campus.
