

LinkedIn Learning May Challenge: Mindset Matters

Henry Ford famously said, “**Whether you believe you can do a thing or not, you’re right.**” Ford’s adage highlights the **power of positive thinking**, warns of the danger of negative thinking, and it reminds us how much **mindset matters**.

While we may think that success leads to happiness, studies consistently demonstrate that the reverse is actually true: **happiness leads to success**. Happiness promotes success in **health, work, and relationships**.

We’re excited to launch **LinkedIn Learning’s May Challenge**, kicking off **May 11th**, focusing on the **power of positive thinking** and how to **foster a growth mindset**. Challenge yourself to participate every day – it takes **~5 minutes** or less.

To stay on track, try keeping a journal or print the calendar and initial each day when you’ve completed it. **Happy**
