Dear Brewster Community,

We have received some inquiries from parents who remain concerned about sending their children to school on tomorrow, February 8. This date was referenced in the social media posts made by students who have subsequently been identified and disciplined. As was stated in the letter shared with you on Tuesday, February 4, the Sheriff's Department concluded that there is no credible threat associated with any of the social media posts made on Saturday or Tuesday.

There is no need for students or staff to feel afraid to come to school on Friday, February 8. We take all threats seriously and they will result in serious disciplinary actions.

If there are new developments that we need to share, we will notify you. Please feel free to contact your child's principal or me if you have questions or concerns.

Thank you for your cooperation, patience and assistance.

Warm regards,

Valerie Henning-Piedmonte
