

Read & Write 12 Install & Set-up Instructions

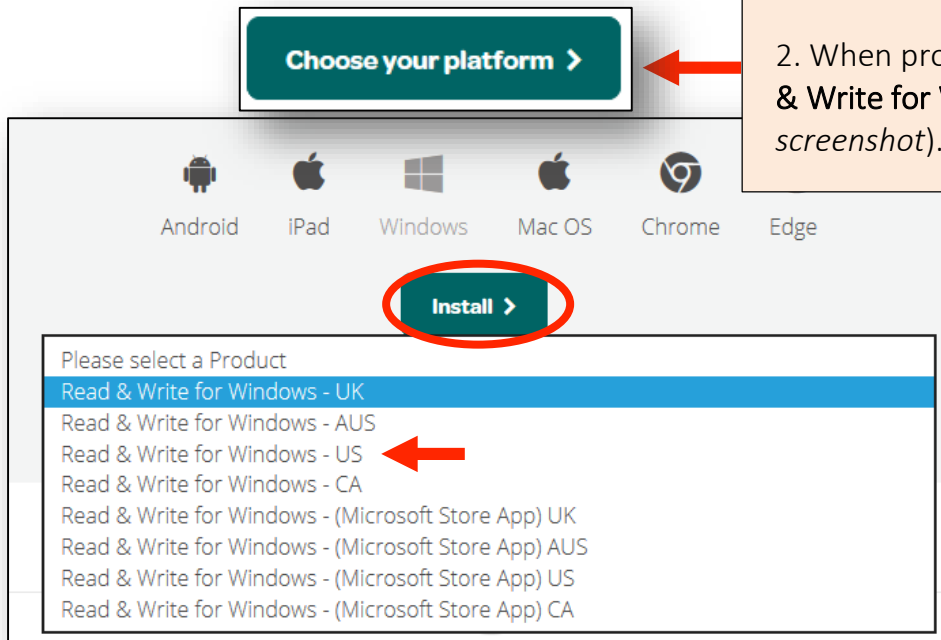

Read & Write offers support with everyday tasks like reading text out loud, understanding unfamiliar words, researching assignments and proofing written work. It's designed in line with the principles of UDL (Universal Design for Learning).

Go the **Texthelp website** below to download Read & Write

Click the link here to access the website: [Texthelp Read & Write Website](#)

1. Select "Try Now"

2. When prompted to "Choose your Platform", select **Windows**, select "Read & Write for Windows –US" from the drop-down menu and click **install** (see screenshot).

What do you want to do with read&write.exe (635 MB)?
From: fastdownloads2.texthelp.com

Run

3. If prompted "What do you want to do with read&write.exe?" click Run

Hi, almost ready to install

By clicking the "Accept and Install" button,
I acknowledge that I accept the
[User terms.](#)

Accept and Install

4. After the install process starts, click **Accept and Install** to complete the installation.

Please wait while the InstallShield Wizard installs
Read&Write. This may take several minutes.

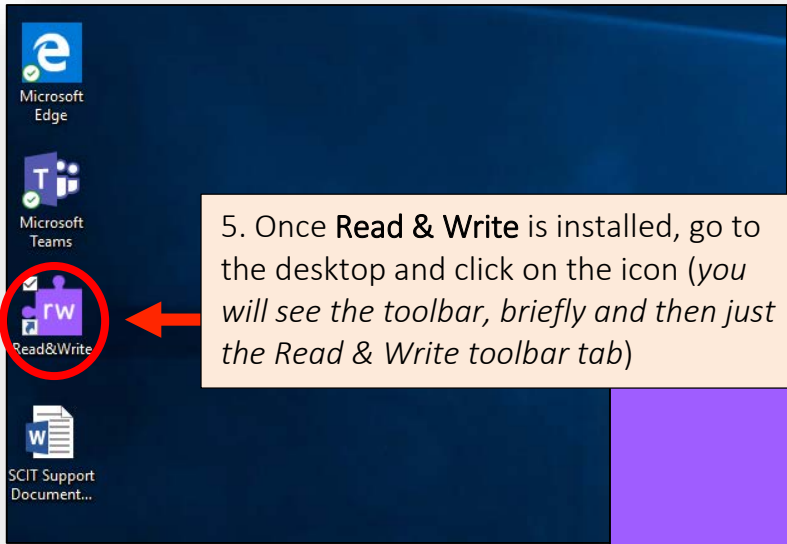

Status:
Copying new files

Cancel

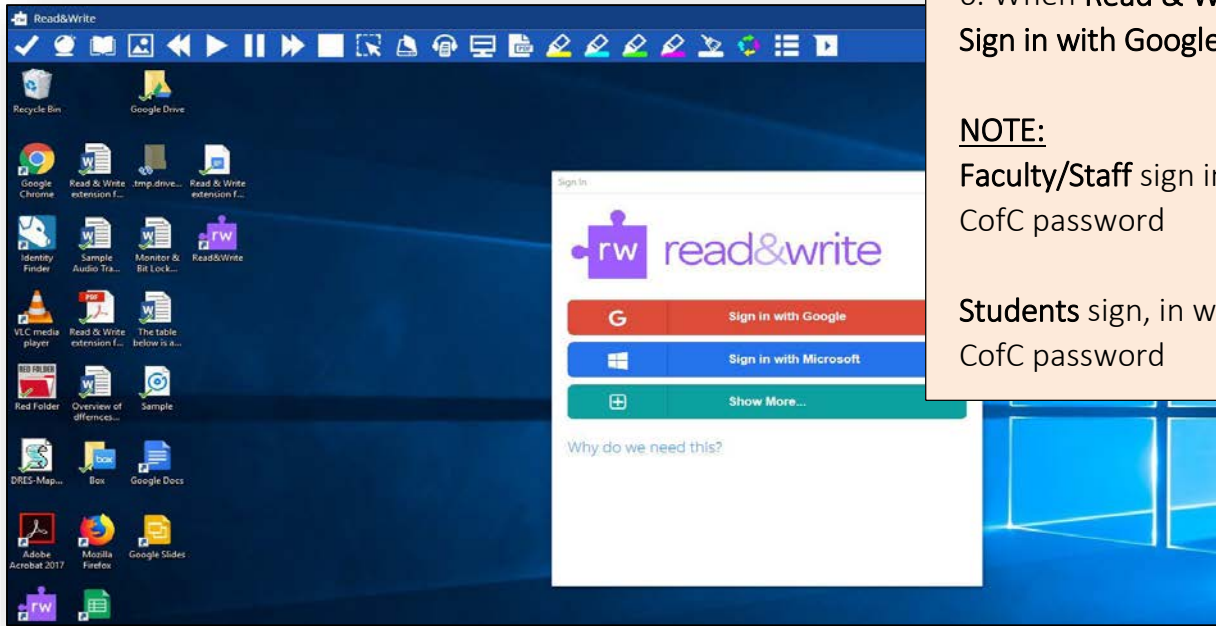

Note:

Read&Write will instruct you to "Please wait while the InstallShield Wizard installs Read&Write" (this may take several minutes).
