Choose a calling, not a job

Are you looking to teach where teachers are needed most? The Mississippi Teacher Corps is one of the nation’s best alternate route teacher training programs. Participants teach for two years in a critical needs school in Mississippi while working on a master's degree at the University of Mississippi. Benefits include:

- Placement in a school with full salary and benefits
- Unparalleled support
- Full scholarship for grad school (tuition and books)
- A notebook computer
- Summer living stipend
- A chance to start a career where teachers are needed most

Modeled after the Peace Corps, the Mississippi Teacher Corps (MTC) is a two-year program that trains non-education majors to teach in high-poverty public schools in Mississippi. In addition to teaching, participants earn a Master of Arts Degree in Curriculum & Instruction from the University of Mississippi.
