Dear Mr. President Obama,

My name is Emma and I'm 11 years old I go to Dwight school in New York City. I'm writing to you to address the case of Eric Garner. I'm writing to about Eric Garner because I saw demonstrators in the street of New York City where I live and where he died. I'm wondering what you think about this situation?

I saw protesters blocking the streets and shut down roads and highways. I also saw that they took over Apples store on Fifth Avenue. Demonstrators think that it was unfair that Eric Garner died and that the police officer that arrested him didn't get accused. I think that people are mostly demonstrating because they are concerned about this being a matter of racism. Do you Mr. President Obama feel that the all people have equal rights in USA today?

I think that this situation is important because everyone should have equal rights and I therefore wanted to get your opinion. Thank you again for reading my letter. I hope you can find time to answer my letter.

Sincerely,

Emma Christina Fodstad
