

# Interview with Mrs. Hirshman

By: Pedro

**What do you like the most about your job?**

->I like to see the students and teachers every day and start the day by greeting the students at the door.

**Would you prefer to be the head of another house?**

->No, I love the students, the curriculum and the energy of the timothy house.

**How many students are in the Timothy House?**

->I think there are a bit over 200 students.

**Do you have a lot of meetings in one day?**

->A lot, some days more than others, I meet with teachers of different houses all day long but between the meetings I like to walk around to see the teachers and students.

Do you get nervous when you talk in community meeting?

->No, but I always follow my notes to make sure that I am in the right track.

What are the hardest and the easiest part of your job at Dwight?

-Hardest-> Talk with the students about serious things.

-Easiest-> Work with students and teachers.

What are those pictures and holiday cards at your room?

-> I love when the students share their work and give her gifts on the year.

My Reflection: How did you feel before your interview? Were you excited, nervous, or both? Please explain.

->I was excited and nervous in the same time. Excited because I wanted to interview some leader on Dwight School and nervous because I did not think that my questions were enough for the interview time.
