

LEADER IN MY LIFE (JAKY CHEN)

I think one leader in my life is my dad. He is a director in his company. He works for fashion, my mom and my dad have a restaurant and a ice cream store. My dad travel around the world to see different type of fashion and "fashion week". Including New York (he loves New York). So as you know that's my dad, my dad doesn't play with me a lot but I get it, he is hard (he leave at this Wednesday morning) . I think he is my leader because he work very hard at anything, he never give up.

When my dad was young:
