

COVID-19 Vaccine Information Sessions

Join us to learn more about the COVID-19 vaccines and get answers to common questions, including:

- How do the vaccines work and are they safe?
- What side effects should you expect after getting the vaccine?
- Are there any special precautions that you need to take before or after getting the vaccine?

To join the session on your computer, [click here](#). You can also use your phone's camera app to scan the QR code.
