**TRANSITIONAL KINDERGARTEN AND KINDERGARTEN REGISTRATION STARTS
JANUARY 4, 2018 IN ELK GROVE UNIFIED FOR THE 2018-19 SCHOOL YEAR**

42 Elementary Schools Await Parents

ELK GROVE, Calif. – January 3, 2018 – Kindergarten (K) registration for students who live within the boundaries of the Elk Grove Unified School District (EGUSD) and will turn five years old on or before September 1, 2018 will begin Thursday, January 4, 2018 at 7:30 a.m. at all elementary schools. Transitional Kindergarten (TK) registration for students who live within the boundaries of the Elk Grove Unified School District (EGUSD) and will turn five years old on or between September 2 and December 2, 2018 will also begin Thursday, January 4, 2018 at 7:30 a.m. at all elementary schools.

TK and Kindergarten registration begins each year at the beginning of January. To register, there are three main steps:

1. On or after the start of registration, pick up a registration packet from your home school. The packet will be time-stamped and dated by the school office staff.
2. Complete the registration packet, including the required documents listed below.
3. Return your completed registration packets by the first Monday in February in order for the time and date stamp to be honored.

With regard to registration priority and placement, although most families who turn in their registration materials by the first Monday in February are likely to get into their home school, EGUSD is not able to guarantee placement for every child at their home school. Due to crowded conditions in Elk Grove Unified, there is a possibility that your child may be reassigned to

another Elk Grove Unified elementary school. Priority will be given to packets returned on time, based on the time and date stamp.

Required documents are the student's birth certificate, immunization record, and proof of residence within the district. Two forms of residence documents are required for initial enrollment for all K-12 students and those are as follows:

A parent or guardian must produce ONE of the following for enrollment:

- Property tax receipts for the current residence
- Mortgage statements in parent/guardian name. If the home is under construction a title/deed
- or signed sales or purchase agreement in parent/guardian's name will be accepted. Additionally, a current PG&E, SMUD bill that indicates location of service, or a mortgage payment must be presented to the school within six months
- Rental/Lease agreement – current or recently signed in parent/guardian name. Additionally, two consecutive months of a current PG&E or SMUD bill in the parent/guardian name must be presented to the school within two months

AND

A parent or guardian must **also** produce ONE of the following for enrollment:

- Parent/guardian's motor vehicle registration with current residence
- Parent/guardian's driver's license with current residence
- Court documents indicating current residence
- Payment verification (paid invoice, credit card receipt, cashed check) for 2 consecutive months of 2 of the following utilities: gas, electricity, water, or garbage for the current residence must be presented within 2 months of enrollment
- Rent payment receipts for 2 consecutive months for the current residence must be presented within 2 months of enrollment
- Documentation from the Department of Human Assistance with current residence

Questions?/Contact

Visit the Elk Grove Unified School District's Enrollment Page found at:

Parents/Guardians seeking more information about the registration process can call the district's PreK-6 Education office at (916) 686-7704.

About the Elk Grove Unified School District

The [Elk Grove Unified School District](http://www.egusd.net) (EGUSD) is the fifth-largest school district in California located in southern Sacramento County. EGUSD covers 320 square miles and includes 67 schools: 42 elementary schools, nine middle schools, nine high schools, five alternative education schools, an adult school, one charter school and a virtual academy. Offering a multitude of educational programs, including over 70 career-themed academies and pathways within 15 industry sectors, we prepare our students for college and career by supporting them with the means to be creative problem solvers; self-aware, self-reliant, and self-disciplined; technically literate; effective communicators and collaborators; and engaged in the community as individuals with integrity. We integrate rigorous academics with career-based learning and real world workplace experiences and ensure that Every Student is Learning, in Every Classroom, in Every Subject, Every Day.
