

Parent Preview of District-Approved Films

Any parent/guardian who wishes to preview an R-rated (for grades 9-12) or PG-13 (for grades 6-8) district-approved film to be shown in his/her child's classroom may contact their child's teacher to request to review the film prior to it being shown in class.

Parents who wish to withhold permission for the entire school year for students in grades 6-8 to view PG-13 films or for students in grades 9-12 to view R-rated films should complete the "opt-out" form that is provided to students during the first weeks of school.

Any students who do not view a film will be entitled to an appropriate and comparable alternative assignment.

Please contact your child's school for further information.
