

Elitha Donner Elementary School
Enrichment Student Plan
2020-2021

Student Name _____ Grade _____
Track _____ Teacher _____

I choose to participate in the Enrichment Learning Program at our school. I understand that I assume responsibility for my learning with the support of my teacher and parents. I understand that I will be held accountable for learning based on the Seven Qualities and Characteristics necessary for success in this Enrichment Learning Program. I understand that it is my responsibility to communicate with my parents about my progress in this program and to ask for assistance when I need support in the challenges I face with my work. I understand I will be released from the program if I do not maintain the standards set forth in this agreement.

I will show:

1. **Desire:** Show strong desire and readiness to improve what is already good
2. **Work Habits:** Complete class work and homework on time
3. **Interest:** Think beyond what is required and searches for more
4. **Curiosity:** Ask questions that lead to broader ideas and seeks to solve problems
5. **Optimism:** Show self-confidence, enthusiasm, and takes constructive criticism
6. **Cooperation:** Demonstrate willingness to share ideas and work with change, new ideas, and with others.
7. **Perseverance:** Work harder rather than giving up when confronted with difficult material and tasks

Academic Responsibilities:

1. Show mastery of assigned grade level standards and additional enrichment curricular objectives
2. Be responsible for delivery and return of all school related correspondence
3. Attend Teacher Conferences and Information Nights with my parent(s)
4. **COMPLETE ALL REQUIREMENTS OF THE "ENRICHMENT STUDENT PLAN"**

Learning Responsibilities:

1. Attend school regularly and be on time for instruction
2. Arrive at school with all assignments required for the day
3. Be prepared for school each day with the appropriate supplies and materials
4. Listen to and participate in class discussions, assignments, and activities
5. Show respect for myself and others through positive interactions
6. Demonstrate a commitment to Enrichment Learning

We understand the requirements and wish for _____ to participate in the Enrichment Program.
