<p><u>TRANSITIONAL KINDERGARTEN PROCESS</u> For the 2021-2022 School Year <i>(STUDENTS MUST TURN 5 ON OR BETWEEN SEPT. 2 AND DEC. 2, 2021)</i></p>	<p><u>KINDERGARTEN REGISTRATION PROCESS</u> For the 2021-2022 School Year <i>(STUDENTS MUST BE 5 ON OR BEFORE SEPT. 1, 2021)</i></p>
--	--

REGISTRATION:

Registration packets will be available beginning on: **Wednesday, January 13th, 2021** at all elementary school sites.

Q/A

How do I make an appointment to turn packet in?

Call the school office @ 916-683-7445 between 7:30-3:30 to set up time.

Can you email in the packet?

- No, we need to see the birth certificate/immunizations/proof of address.

Sibling priority & Randomized Track Selection

- At year round schools, the dates of registration for the oldest siblings currently attending the school determine kindergarten track assignment priority (in the event that more students request a certain track than there are spaces on that track). **SIBLING PRIORITY IS FOR TRACK SELECTION ONLY AND ONLY FOR YOUR CHILD'S KINDERGARTEN SCHOOL YEAR.**
- **For Kindergarten Registrations:** The Welcome Packet should be returned by February 25th in order to receive a priority schedule/track selection number. If the packet is returned **after February 25, 2021, the student will miss the Kindergarten Randomized Schedule/Track Selection Process.**
- Registration packets received after the initial Randomized Track Selection Process will be date and time stamped when the completed registration packet is received. Those students will be placed on tracks where space remains available according to date and time of registration.
- **For Transitional Kindergarten and Grade 1-6 Registrations:** Time and date stamp will be done when completed registration is turned in.

Will there be a TK on this campus?

- Schools will be assigned sometime in May. If we don't have a TK class we will call you with choices in May.

Will I possibly be offloaded?

- There is always a possibility but usually all resident students remain at their home school for kindergarten if registered within the January 13 – February 25th time frame. Not always choice of tracks though.

Is there a bus my child can take?

- No, there is no bus service.

Immunizations

- All immunizations must be completed prior to entering school. **Children without completed immunizations on the first day of school will be excluded.**
