

September 2020

Hello Griffins,

I'm honored to welcome you to the 2020-2021 academic year. As a parent, I understand the uncertainty you're facing in light of this new school year with distance learning.

The McGarvey Parent Faculty Organization (PFO) is committed to fostering a sense of unity among families, staff, and within our broader Anatolia community. The PFO is here to support RJME and thrives best when families are engaged. We're always happy to welcome new faces. Without volunteers, our work literally wouldn't be possible so THANK YOU to our new and returning volunteers!

### What Your Donations Go Toward

- **Fun virtual events and activities** will be offered throughout the year to keep our students engaged with their teachers, school, families, and community.
- **Teacher and staff appreciation** - Our McGarvey staff, especially our teachers, are truly INCREDIBLE and need our support and love now more than ever.

I know it's been hard figuring out this distance learning thing as well as numerous other challenges. Thank you for all that you do for your family. Please take care during this time and be on the lookout for some awesome PFO activities!
