## WHAT CAN ELITE HR DO FOR ME?

We have the ability and expertise to find you work, and keep working, with the best companies in the industry.

## WHAT IS THE HIRING PROCESS?

With Elite HR, you will enjoy a streamlined hiring process with convenient features like a professional application file and centralized payroll.

The process begins by completing an initial online application and prescreening form. After reviewing your initial application, an Elite HR Consultant will contact you to set up an appointment either in person or by phone.

Next, you will be invited to complete a formal application while Elite HR verifies your qualifications through employment checks, background checks and drug screening.
