## MANUFACTURING AND HEALTHCARE INDUSTRY TRAINING FOR VETERANS

Sacramento Employment and Training Agency (SETA) is now accepting applications for the Sacramento Veterans' Employment-Related Assistance Program (VEAP) for Advanced Manufacturing and Healthcare. Training is in partnership with programs at Folsom Cordova Adult Education, Sacramento City Unified School District Adult Education, Los Rios Community College District and Sacramento Valley Manufacturing Initiative. Programs offer customized, career prep courses that will strengthen your candidacy for employment and increase your knowledge of the manufacturing or healthcare industry.

### FREE Training!

Programs include technical, job-specific training needed to effectively compete for entry-level industry jobs.

- Are you mechanically or technically inclined?
- Do you have manufacturing or healthcare related experience and skills?

If this sounds like you, complete an application today. We want to hear from you!

SETA collaborates with a defined network of employers and educational partners to develop industry-informed career pathways designed to help candidates prepare for jobs in the manufacturing or healthcare industry.

### Who can apply:

- Recently separated and Gulf War veterans
- Military spouses
