Hiring Now!

Production/Assembly Operators

Lots of openings!

Manufacturing HVAC units for cars. Each station will add a part to the HVAC unit and then the unit will be tested and ready to ship. This requires standing, lifting and close attention to detail.

1st Shift hours are 6am to 4:30pm

2nd Shift hours are 5pm to 3:30am.

Weekends (Saturday work) will be mandatory, this all depends on meeting our Customer's quota.

40 hours a week plus overtime. Starting wages \$15.00 hr

Paid bi-weekly, every 2 weeks and Friday's are payday.

**Send resume and application to Lori Stringer
