Safety Precautions

• Maintain social distancing at all times/whenever possible (6 feet)

• Facial coverings (masks) to be worn at all times for students and staff

• Signs and directional arrows to assist with a one-way flow of foot traffic on campus

• Modeling appropriate safety practices with all students

• Student cohort groups to be provided with staggered break times and normal “recess activities” will not be available to keep groups isolated to assist with contact tracing/quarantining if it becomes necessary

• “Drive through” pick up and drop off from school with adults remaining in vehicles and multiple entry points to campus utilized to prevent student crowding

• Hand washing/sanitizing for all students after break periods

• Grab and go meals to be provided to students who request them as they leave campus

• Daily cleaning, sanitizing, and disinfecting of all classrooms and school buildings

• Students to be provided with their own classroom materials to avoid the need to share supplies

• Parents to screen children at home prior to sending them to school for cough, fever, etc.
Classroom Instruction

• Teachers are currently working on various options for classroom instruction including versions where they wear no headsets and are walking around the classroom.

• The learning will be done with student chrome books as to not exclude those who are participating in the class from home. **Please bring a fully charged chromebook to school each day!**

• Stable Group structures: Students will remain in the same group of students and staff members throughout the day.

• There will be some limited interaction between students and teachers while maintaining all procedures to adhere to health guidelines and recommendations.

• "Recess" will consist of a short break (10 minutes) staggered by grade level and supervised by yard duty and administration and will include some "equipment free" activities and games.

• Students will wash their hands each time they leave and enter the classroom.
Dropping Off and Picking Up Students

- Students must remain in vehicles until 7:45
- Students will walk directly to their classrooms once the gates have been opened
- Students wait on designated spots outside the classroom as they wait for teachers to let them in
- Teachers open classrooms for students beginning at 7:50
- Parents must wait in vehicles for students to be dropped off and picked up
- 2nd - 6th grade drop off and pick up on playground side of D wing (see map)
- Kindergarten and First grade students to be picked up at the main gate in the front of the school. (families with students in grades K/1 and 2-6 may drop all students off at the front gate)
- Students must be picked up by 12:10 PM
