A Message from the Principal:

Student safety is a priority at Arthur C. Butler, and we understand that students, families, and community members often need a private method for reporting bullying, discrimination, harassment, or harm to school, property or self. In order to provide this forum for our students and families, the Elk Grove Unified School District added an online tool to help communicate and report incidents occurring at Butler. The incident reporting link is located on the Arthur C. Butler webpage and can be accessed 24-hours a day and will send an immediate message to site administration and/or district Safety and Security. For more information about the online reporting tool, the district has provided answers to frequently asked questions within the following link: <http://blogs.egusd.net/pressroom/2019/03/11/elk-grove-unified-announces-launch-of-new-online-incident-reporting-system-with-247-access-for-students-and-parents/>.

As always, students, family and community members are invited to meet with me in person, by phone, or email to discuss concerns or ideas; however, the online incident reporting system is an effective tool to ensure details are documented for site awareness.

Thank you for allowing me the opportunity to be a part of your child's educational journey.

In gratitude,

Jodi Boyle, Principal

Character Education Corner:

Our first character trait for the year is Self-Control. We are exploring what it means to have self-control in the classroom, out at recess and even exploring the use of self-control outside of school. For more resources on self-control please visit <https://www.characterlab.org/self-control>

In addition to reviewing and practicing self-control, we are also reviewing our **Stop**, **Walk**, and **Talk** strategies with all of our students. As part of our Bullying Prevention curriculum, students are taught to say "**Stop**" when someone is not being kind. If this continues students are taught to **Walk** away, lastly students are taught to **Talk** to an adult if they do not feel safe. Please review this with your child(ren).

These activities welcomes those with disabilities to participate fully. If you need a disability-related modification or accommodation, including auxiliary aids or services, to participate in this or any program, service or activity offered you, please contact Arthur C. Butler Elementary School Administration, at (916) 681-7595 at least 48 hours before the scheduled event so that we may make every reasonable effort to accommodate you. {Government Code Section 54953.2; Americans with Disabilities Act 1990, Section 202 (42 U.S.C.
