A Message from the Principal:

Greetings Butler Families,

It is with immense pride that I announce Arthur C. Butler as one of two schools in the Elk Grove Unified School District to be named a 2020 California Distinguished School by the California State Board of Education! This award recognizes schools that are considered to be some of the state's most exemplary public schools. Butler provides exemplary and quality educational programs to all students and is a model for schools throughout the state. Our site will be recognized at an awards ceremony on February 10, and I look forward to sharing the details at our February 20 Coffee with the Principal meeting.

STUDENT PICK UP REMINDERS

Please use the student pick up area or park and meet your child(ren) on campus when picking your students up after school each day. We have had several students who have been beckoned into the street to enter their vehicles which poses a risk to their safety.

ATTENDANCE

Our attendance ranking according to the 2019 California Dashboard has dropped from BLUE to RED with 12.1% of Butler students being identified as chronically absent. Please work with us in ensuring that if your child(ren) is absent that our office staff is notified at (916) 681-7595.

In gratitude,
Jodi Boyle, Principal

Character Education Corner:

Being an optimistic person can improve our quality of life. What does it mean to be optimistic? Optimists are people who tend to look on the bright side of things. They focus on thinking positively and remembering that things will be okay. Optimists remember that hard times don't last forever and that we can overcome our difficulties.

This is an important character trait because an optimist won't just give up after trying a math problem and getting the wrong answer. An optimist will re-work the problem to see where things went wrong. An optimist will remember to ask for help and know they aren't alone. Optimists believe in themselves and know that getting positive results can take time. Optimists don't see failure as a problem, they see it as a learning opportunity.

These activities welcomes those with disabilities to participate fully. If you need a disability-related modification or accommodation, including auxiliary aids or services, to participate in this or any program, service or activity offered you, please contact Arthur C. Butler Elementary School Administration, at (916) 681-7595 at least 48 hours before the scheduled event so that we may make every reasonable effort to accommodate you. {Government Code Section 54953.2; Americans with Disabilities Act 1990, Section 202 (42 U.S.C. Section 12132).}
