## A Message from the Principal:

Greetings Butler Families,

The current **School Accountability Report Card (SARC)** is available online at the Elk Grove Unified School District website at <http://www.egusd.net/academics/assessments/school-accountability-report-cards/>. Both a long detailed format and a short executive summary are posted for parents to learn more about the schools in our community.

Each school's SARC summarizes the school's mission, goals, accomplishments, and highlights the school's unique programs. In addition, state law requires that the SARC contain all of the following: demographic data, school safety and climate for learning information, academic data, school completion rates, class sizes, teacher and staff information, curriculum and instruction descriptions, postsecondary preparation information, fiscal and expenditure data.

The federal law requires that SARCs contain reports concerning the "adequate yearly progress" of students in achieving state academic achievement standards; Title I Program Improvement status; graduation rates at the secondary level; and the extent to which "highly qualified" teachers are teaching core academic subjects.

A hard copy of these reports can be requested by visiting your child's school office. Additionally, these reports have been translated in Spanish and Hmong at schools with large populations of families who speak these languages. Any questions regarding the SARCs can be answered by your child's principal or by contacting Learning Support Services at 686-7712.

In gratitude,  
Jodi Boyle, Principal

## Character Education Corner:

Our character trait for this month is social intelligence. Social intelligence is as important as IQ when it comes to happiness, health, and success. But how do we encourage social intelligence in our kids? **Model it to your kids.** Wait your turn before speaking, and when you speak, acknowledge others' points of view: "I see why you look at things this way, and it makes sense why you do. But I have a different perspective." **Celebrate it.** Notice when someone made others feel included and valued: "It was nice of you to make sure the younger kids had playing time in the game, so they all felt like they had a role." Encourage teamwork and loyalty over hierarchy and competition. **Enable it.** Create opportunities to help everyone feel equal, for example by giving even young family members responsibilities or a say in decision-making. Environments in which everyone feels needed and consistently acknowledged help reduce victimization and increase achievement and productivity.

These activities welcomes those with disabilities to participate fully. If you need a disability-related modification or accommodation, including auxiliary aids or services, to participate in this or any program, service or activity offered you, please contact Arthur C. Butler Elementary School Administration, at (916) 681-7595 at least 48 hours before the scheduled event so that we may make every reasonable effort to accommodate you. {Government Code Section 54953.2; Americans with Disabilities Act 1990, Section 202 (42 U.S.C. Section 12132).}
