

STUDENT DISCIPLINE

Disciplinary Practices

A student may be disciplined, suspended, or expelled for acts enumerated in Disciplinary Practices and Progressive Discipline that are related to school activity or school attendance occurring at any district school or within any other school district, including, but not limited to, any of the following:

1. While on school grounds.
2. While going to or coming from school.
3. During the lunch period whether on or off campus.
4. During, while going to, or coming from a school sponsored activity.
5. For conduct which occurs after school hours and off District property, but which is reasonably likely to cause or causes a substantial disruption of a school activity or attendance. [EGUSD AR 5144.1]

Alternatives, Interventions and Progressive Discipline

EGUSD has a defined and progressive set of interventions, remediations and consequences that schools follow when a student misbehaves. The superintendent or principal may use his or her discretion to provide alternatives to suspension or expulsion to address student misconduct. [E.C. 48900(v), 48900.5] [EGUSD AR 5144]

- Parent Contact – verbal or written communication with the parent or guardian
- Counseling – individual or group meetings of the student, which consist of teachers, counselors, administrators, parents, and the student to address the behavior issue and develop a plan of action to correct the student's behavior.
- Personal Responsibility – students participate in directed activities such as written apologies, restitution, school/community service, conflict resolution skills.
- Detention – Students participate in behavior modification for a period of 30 minutes to 1 hour during non-instructional time.
- Community Service - Student may be assigned work performed in the community or on school grounds in the areas of outdoor beautification, community or campus betterment, and teacher, peer, or youth assistance programs.
- Parent Conference – a formal meeting between the parents or guardians and school personnel to discuss the student's needs.
- In-School Suspension – assignment of student to separate supervised activity during the school day with the intent of correcting inappropriate activity.

Grounds for Suspension or Expulsion

A student shall not be disciplined, suspended or recommended for expulsion unless the Superintendent, a designee or the principal of the school in which the student is enrolled determines the student has violated one or more parts of an act as defined by any of the following subdivisions identified in Ed Code 48900 inclusive of:

- Acts of Violence [E.C. 48900(a)]
- Weapons and Dangerous Objects [E.C. 48900(b)]
- Drugs and Alcohol [E.C. 48900(c)]

- Sale of "Look-Alike" Controlled Substance or Alcohol [E.C. 48900(d)]
- Robbery or Extortion [E.C. 48900(e)]
- Damage to Property [E.C. 48900(f)]
- Theft or Stealing [E.C. 48900(g)]

- Possession of Stolen Property [E.C. 48900(l)]
- Imitation Firearm [E.C. 48900(m)]
- Sexual Assault or Sexual Battery [E.C. 48900(n)]
- Harassment of a Student Witness [E.C. 48900(o)]

(Please see the Table of Education Codes Related to Discipline for more detail.)

Students who commit these offenses may be suspended from school and/or to the Superintendent's designee with the recommendation for reassignment to an alternative program or expulsion and transfer to an alternative program. Major acts of misconduct must be reported to the school administrator immediately after the incident and may result in the immediate removal of a student from the school following suspension due process procedures.

Suspension is the removal of a student from the classroom for disciplinary reasons for a defined period of time by a teacher or school administrator. A principal or designee may suspend a student for up to five days. A teacher may suspend a student for the remainder of the class in which the misbehavior occurred and for the next day's class. A suspension may be extended under certain conditions.

There are two kinds of suspension – on-campus suspension and home suspension. Students placed on home suspension are not permitted on or near the school campus, nor are they allowed to participate in any school activities during suspension. They may, however, be required to complete assignments and tests which will be made available to them through an intermediary.

Expulsion, as ordered by the Board of Education, is the removal of a student from all schools in the Elk Grove Unified School District for violating the California Education Code. The expulsion is for a defined period of time, but an application for re-admission must be considered within a specified time period. State law provides for due process and rights to appeal any order of expulsion.

If a student's behavior is a threat to the safety, health or emotional well-being of others, and previous methods of prevention and intervention have not been successful, that student may be suspended in accordance with state law and district policy.

STUDENT DISCIPLINE

Suspension may be imposed upon a first offense if the Superintendent, principal or designee determines the student violated Education Code 48900(a)-(e) or if the student's presence causes a danger to persons. [E.C. 48900.5]

For all other acts and conduct for which a student is subject to discipline under Education Code 48900 through 48900.7 and which are not specifically listed or addressed under Education Code 48915(a) or 48915(c), a student may be recommended for expulsion where other means of correction are not feasible or have repeatedly failed to bring about proper conduct, or where due to the nature of the student's conduct violation, the presence of the student causes a continuing danger to the physical safety of the student or others. [E.C. 48915(b) and (e)]

The Role of Parents and Guardians

School rules are designed to teach children to be responsible, respectful, and safe. Parents and guardians have a key role in maintaining welcoming, safe campus environments that are conducive to learning.

Parents and guardians are urged to review district and school standards of conduct and rules with their children at the start of each school year, with special emphasis during critical transitional years when children move from elementary to middle school, and from middle to high school. Reinforcing positive behavior and acknowledging children for demonstrating appropriate conduct is important. If parents or guardians spot a behavior problem, they should contact school staff, who will partner with them to find solutions. Parent/student handbooks are available online in English, Spanish, Hmong and Vietnamese.

The Elk Grove Unified School District is committed to strong partnerships between home and school to establish and enforce appropriate standards of conduct for students. In the event of student misconduct, teachers, school or district personnel will contact parents first, unless the infraction is so serious that police notification is mandated.

Assistance is available for parents or guardians who are dealing with difficult or out-of-control children. Parents are given tools to empower them as they work toward modifying the behavior of their difficult children. To find out more, visit the webpage of the Student Support and Health Services at www.egusd.net/student-support-and-health-services.

Behavioral Requirements for Participation in Graduation Ceremonies

Students must demonstrate good citizenship to participate in the graduation ceremony. Any student who has received an off-campus suspension from school in the spring semester prior to graduation will be notified in writing that if a second off-campus suspendable event occurs, he/she will not be eligible to participate in the graduation ceremony. Any senior student who receives an off-campus suspension within the last 20 school attendance days prior to the date of graduation may be denied the privilege of participating in the graduation ceremony, even if that off-campus suspension is the student's first off-campus suspension during his/her senior year. If a student receives an off-campus

suspension that falls on the day of graduation practice or of the graduation ceremony, that student will not be allowed to participate in graduation. A senior student with a second off-campus suspension will be denied the privilege of participating in the graduation ceremony. In addition, a senior student may not attend the graduation ceremony while under off-campus suspension, even if the off-campus suspension is the first for the student during the senior year. Each high school student and his/her parent/guardian will receive annual notification of this policy. [B.P. 5127(a)]

Prohibition on Possession and Use of Tobacco and Nicotine Products

District policy and the Education Code prohibit the possession, use, manufacture, distribution, or dispensing of tobacco and nicotine products at school or during school related activities. The District defines "tobacco and nicotine products" as a lighted or unlighted cigarette, cigar, pipe or other smoking product or material, smokeless tobacco in any form, and electronic cigarettes. "Electronic cigarettes" are defined as battery-operated or other electronic products designed to deliver nicotine, flavor, and other chemicals by turning the substance into a vapor that is inhaled by the user, including, but not limited to electronic vaping devices, personal vaporizers, digital vapor devices, electronic nicotine delivery systems, and hookah pens.

Students determined to have used or to be in possession of tobacco or nicotine products at school or school related activities may be subject to discipline under District policy, Education Code 48900(h), and/or other applicable laws. Students determined to have used or to be in possession of products at school or school related activities that can be used to consume and/or use tobacco or nicotine products, including but not limited to "electronic cigarettes" as defined above, but which do not contain tobacco, nicotine, or any other controlled substance, may be subject to discipline under District policy, Education Code 48900(k)(1), and/or other applicable laws. [E.C.48901]

Law Enforcement Partnerships

The Division of Safety and Security works in cooperation with the Sacramento County Sheriff's Department. This department also works closely with the Elk Grove Police, Sacramento Police, Rancho Cordova Police and the Sacramento County Probation Department. Each comprehensive high school region has an assigned Sheriff's deputy as a School Resource Officer (SRO).

The SRO is stationed at the high school and works with each region's middle school and elementary schools' site staff to enforce laws and mentor the District's youth. Additional officers are dedicated to the alternative education sites, assist at elementary and middle schools as well as address truancy problems.

Interview of a Student by Law Enforcement

Students can be interviewed by law enforcement officers while at school. In instances where law enforcement is involved, the principal or designee shall attempt to minimize disruption at the school and provide privacy to the student. School officials are required to make every effort to contact

STUDENT DISCIPLINE

a parent or guardian at the time a peace officer requests to interview a student, unless directed not to by the peace officer. For example, no notification will be made in the case of child abuse or neglect. The principal or designee may be present for the interview if allowed by the officer and with the student's approval. [B.P. 5145.11]

Release of a Student to Peace Officer

If a peace officer removes a student from school, the principal or designee shall take immediate steps to notify a parent or guardian, except when a student has been taken into custody as a victim of suspected child abuse or neglect. In such cases, the peace officer will notify the parent or guardian. [E.C. 48906; Penal Code 11165.6]

Search and Seizure Policy

The Search and Seizure Policy governs the District's authority to search individual students and their property and the student's responsibility to submit to searches. Under Board Policy 5145.12, school officials may conduct a search when there is a reasonable suspicion the search will uncover evidence that the student is violating the law or the rules of the school or District.

General inspections of school properties, such as lockers and desks, may be conducted on a regular, announced basis. Any items in a locker shall be considered the property of the student to whom the locker was assigned.

The school principal or designee may search the person of a student, the student's locker, backpack, purse or other belongings if there is a reasonable suspicion to believe the student may have a concealed weapon, narcotics, stolen property or contraband. [U.S. Supreme Court Case: New Jersey v. T.L.O. (1985) 469 U.S. 325; B.P. 5145.12]

To ensure the safety of students and staff, schools may conduct random searches for weapons using metal detectors.

The District may use specially trained, non-aggressive dogs to detect the presence of substances prohibited by law or

District policy. Dogs may be used in the inspection of lockers, vehicles, or personal property, but may not be used to search a person.

Williams Settlement Complaint Procedure

Complaint policies and forms are available at the school office and are available online at: www.egusd.net/about/district/policiesproceduresnotices. The following procedures shall be used to file Williams related complaints:

1. Complaint forms can be turned in to the principal or designee who will make every reasonable attempt to investigate.
2. Complaints beyond the site authority will be forwarded to the District within 10 days.
3. Complaints may be filed anonymously. The form will have a box to mark if a response is requested. The complainant must be identified and provide a mailing address on the complaint form to receive a written response.
4. Valid complaints shall be remedied within 30 days of receipt.
5. If a response was requested, it shall be provided by mail within 45 days of resolution to the address listed. The principal will also inform the Superintendent of the resolution within the same time frame.
6. If dissatisfied with the resolution, the complainant may file a request to describe the complaint to the governing board at a regularly scheduled meeting.
7. If the complaint involves a condition of a facility that poses an emergency or urgent threat, a complainant who is not satisfied with the resolution proffered by the principal or appropriate District official has the right to file an appeal to the Superintendent of Public Instruction.
8. The District will report quarterly on the number of resolved and unresolved complaints and summarize data regarding complaints and resolutions to the county superintendent and the local governing board in public session making it part of the public records.
