Eric Ho	Can see the time.	you put on magnets on anyways.	Maybe make a little smaller at the top so you can use face. And you
George He	Thick, can put more stuff	big hole, can see notification on phone	decoration
Jonathan	Can see screen	clean design	shorter top?
Aidan Wong	Sturdy and phone won't fall out	Top bar is great	Add decorations?
Sybil Beadles	I like the rectangle hole you have so that you can press buttons	I like the mini magnets you put on the back	decoration and diagonal line on the top so that phone can clip out

id. can take it out earlier.

What patterns do you notice in your feedback (stars or wishes)?

I notice that in my wishes there should be decoration and a shorter top.

I notice that in my stars people like my big rectangle and overall design.
