Optional Choice Activities for this Week 其他活动建议 (非必须)					
You do not need to share these activities on Seesaw, unless you want to! I would love to see what you have tried!					
<p>Activity #1 Grab a deck of playing cards. Get a timer ready. As quickly as you can, sort the cards into the same family: hearts, diamonds, spades, and clubs, while timing yourself. Mix up the cards and do it again. Try to beat your first time.</p> <p>Activity #2 Turn on some music. Sing or dance along to it. Get a large spoon for your microphone. Even better if you do it in front of a mirror!</p> <p>Activity #3 Get an empty box. Big or small? Add scissors, tape and markers and design a cool Not a Box thing.</p> <p>Activity #4 In a bowl, add water to flour a bit of a time to make a soft dough. Add more flour if it gets too wet. Roll and squash it about on a table top. Make what you want with it and put it on a tray and leave it in a bright sunny place to dry out. You can paint it when it is dry.</p>
