## Graphic Design

### INTERESTS:

I am interested in typography, logo and signage. I really like how they are conveying ideas while being simple.

### GOAL:

During this course, I would like to improve on using adobe illustrator and photoshop. Moreover, I also want to improve my overall design sense.

### SKILLS:

I am new to graphic design, so I don't really have many skills relating to design. However, I think I am comparatively good in poster designs.

### INSPIRATION:

The power of design to attract people's interest inspires me. I really like how design can convey a certain idea effectively.
