

# Broken Heart

## PESSIMISTIC

"The more I love, the  
more he hateth me."  
(line 199)

## HERMIA'S OPINION:

You are beautiful, it is  
not your fault that  
Demetrius hates you.  
"Godspeed, fair Helena!  
Whither away?" (line 180)  
"His folly, Helena, is no  
fault of mine." (line 200)

## JEALOUS

"Call you me "fair"? That  
"fair" again unsay.  
Demetrius loves your  
fair. O happy fair!" (line  
181~182)  
"None, but your beauty.  
Would that fault were  
mine!" (line 201)
