

Scene 1

Captain: Ahoy! Ahoy! To all, I say, "Ahoy!"

All: Ahoy!

Captain: Shiver me timbers, mates! A little more enthusiasm would be in order, for pirates all are we!

All: *(more enthusiastically)* AHOY!

Blackbeard: Ahoy! Captain, to what exotic ports o' call are we headed on this amazing journey?

Bluebeard: Aye Captain, is this the trip we'll finally find the motherlode?

Redbeard: Will we plunder a village?

Five O'Clock Shadow: Fill our coffers with doubloons?

Brownbeard: Load up on pirated loot?

Twistedbeard: Sing in a pirate choir?

(All hum a chord.)

Captain: Of course, me hearties, we will do all of that, for that's what pirates do!

All: Arrrrr!

Dancingbeard: Captain! I got me sea legs ready and I'm ready to sail!

Captain: Show me what you've got, Dancingbeard!

(The pirate does a silly walk. All the pirates laugh.)
