Researching Job/Internship Fair Employer Job Descriptions
www.sjsu.edu/careercenter > SpartaJobs Students

1. Select Events > EXPO ‘13 Job Fair
2. Select positions recruited
3. Select job title (job description—target resume/prepare one-minute commercial)

Job Fair Success Webshop (Career Center > Students > Virtual Workshops > Job Fair Success Webshop)

Complete this online tutorial and receive your early bird pass registration. Completing this online tutorial by 2/25 @ 5 p.m. is required to attend the Job Fair during the Early Bird Hours.

Career Center programs are provided without regard to race, color, religion, origin, sex, sexual orientation, marital status, age and/or disability. Reasonable accommodations for persons with disabilities available with prior notice. Call for assistance: 408.924.6031
## Tips For Success

**Job & Internship Fairs**

SJSU Career Center job fairs are an excellent opportunity for you to gain information about anticipated internships and career positions. It is also a great way to make contacts. Identify which organizations you want to interact with by previewing this list of participants. Log on to the Career Center’s website @ www.sjsu.edu/careercenter to research their job descriptions so that you can target your resumes and one-minute commercials. Instructions are on the list of employer participants.

### Before The Fair

**Identify** which organizations you want to talk to at the Fair.

Logon to the Career Center’s website @ www.sjsu.edu/careercenter to research their job descriptions and their organization so that you can target your resumes. Directions are on the reverse. Know what the company does and what their key products or services are. This information will be helpful when speaking to employers. Check out the Researching Employers workshop on our website for more tips on how to conduct your research. www.sjsu.edu/careercenter>virtual workshops>job search.

**Prepare your resume.** “Target” a resume to each employer’s job opening. Shape up your resume with a resume critique - - Come to a group resume critique, drop in hours or request an appointment through SpartaJobs. Go to www.sjsu.edu/careercenter for our events calendar and to access SpartaJobs.

**Review our Job Fair Success Webshop** online to perfect your one minute commercial and employer introduction. Go to www.sjsu.edu/careercenter>virtual workshops>job fair preparation to review the webshop.

**Practice presenting yourself as follows:**

- Introduce yourself — look confident and initiate a handshake with a smile. Demonstrate a knowledge of the organization. Listen to the conversation with recruiters while you wait in line.
- Prepare a one-minute commercial (your verbal portfolio) — describe your strengths, major, career interests, work experience, extracurricular activities, and the type of career information or job you are seeking. Show how your background and future goals fit the organization.

**Prepare questions to ask representatives:**

- What types of assignments are given to new graduates or interns?
- What do you look for in candidates? What key skills/experiences are highly desirable?
- Despite the current economy, are there areas within your organization where there is anticipated growth?
- What type (if any) of professional growth/development opportunities are available?
- Do you have any other tips for success in this field?

### At The Fair

**Dress professionally.** **Target** those organizations that are of interest to you:

- **Pick-up and scan** the employer’s short handout. Determine if your one-minute commercial will remain the same.
- **Introduce** yourself to the representative.
- **Give your resume to the representative.** Begin your one-minute commercial. Remember: the one minute commercial is an introduction to begin your conversation. Avoid giving a one minute speech, and instead try to engage in a two way conversation with the employers. Ask questions (example to the left) and listen carefully to the response.
- **Ask** about the application procedure. A positive attitude pays off! Follow up — get a business card or a contact name. Do not ask questions about salary and benefits.
- **Be prepared to be asked to apply online for positions.** This is a common practice today and an important step in landing an interview.
- **Bring your calendar.** Be prepared to schedule interview appointments.
- **Be patient and anticipate lines.** Visit less crowded organizations first.

### After The Fair

If you are given the contact information of the representative you spoke with at the fair, follow-up with an email thanking them for their time and information. Include another resume and any other information requested (completed application, recommendations, or transcripts).

Develop a post job fair plan to keep actively engaged in your job search. Check out the Career Center three part interview webshop at www.sjsu.edu/careercenter>virtual workshops>interviewing, to prepare for success in your interviews. Utilize our additional online tools, including Big Interview, the detailed interviewing section on our website or the Job Search Toolkit.

Be sure to check the job listings on SJSU's SpartaJobs and upload your resume to apply for open positions. Go to www.sjsu.edu/careercenter. There are also many other resources available online and in the Career Resource Lab, Admin. Bldg., room 154.

California State Board of Equalization

California’s State Board of Equalization (BOE) collects taxes and fees that provide approximately 34 percent of the annual revenue for state government and essential funding for counties, cities, and special districts. In fiscal year 2010-11, the BOE-administered taxes and fees produced $53.7 billion for education, public safety, transportation, housing, health services, social services, and natural resource management. The BOE administers the state’s sales and use, fuel, alcohol, tobacco, and other taxes and collects fees that fund specific state programs. More than one million businesses are registered with the agency.

US Peace Corps

The Peace Corps, a federal government agency established in 1961, sends volunteers on two-year assignments to 70 developing countries throughout the world. Currently, 7,600 Americans are serving in programs focusing on agriculture, business, education, environmental resource management, public health, information technology, and community development.Benefits include: Three months of training (including intensive language training), practical work experience, a $7425 readjustment allowance upon completion of service, transportation to and from the country of service, complete medical and dental coverage, job placement assistance, and deferment or cancellation of some student loans, are only a few of the many benefits Peace Corps offers.Many Peace Corps assignments require an associates...

Varian Medical Systems, Inc.

Varian is looking for a talented, highly motivated and self-directed engineer to join our sustaining engineering team. This is in an environment that encourages innovative and out-of-the-box thinking. You will be able to take your ideas from concept to prototype and through to production. This is a technically challenging position that will give you the opportunity to work with the latest technologies and design tools. Your responsibilities will include:
1. Redesigning both analog and digital circuits for improved reliability and cost reduction.
2. Solving production problems and implementing process changes for improved factory flow.
3. Developing test tools and test methods to reduce system test times and improve product quality.
4. Interfacing with development teams for new p...

Walgreens-Spartan Partner

At Walgreens, we help people get, stay and live well. That’s our core purpose and the difference we make in people’s lives every day. Our purpose has shaped the direction of our company since Charles R. Walgreen Sr. founded his first drugstore in 1901, and it still does today.

Our team members make that purpose come to life in our over 7,800 stores in all 50 states, the District of Columbia and Puerto Rico, in our call centers, distribution centers, on-site clinics, specialty pharmacies and corporate offices. In fact, those daily demonstrations of our purpose have helped Walgreens become an industry leader and a household name.

Walgreens has something for everyone who wants to build a successful career. Here, you’ll find supportive co-workers, an innovative environment and th...

Wells Fargo & Company

Wells Fargo & Company is a diversified financial services company providing banking, insurance, investments, mortgage, and consumer and commercial finance through more than 10,000 stores and 12,000 ATMs and the Internet (wellsfargo.com and wachovia.com) across North America and internationally. We’re headquartered in San Francisco, but we’re decentralized so every local Wells Fargo store is a headquarters for satisfying all our customers' financial needs and helping them succeed financially. One in three households in America does business with Wells Fargo. Wells Fargo has $1.2 trillion in assets and more than 278,000 team members across our 80+ businesses. We ranked fourth in assets and third in market value of our stock among our U.S. peers as of June 30, 2010. Our vision: "W...
