

Video The Immigrant Experience—The Long, Long Journey

First, read all six questions. Then answer any **two** of the following **six** questions using your observations from the video. Write neatly. Use complete sentences. Incorporate the question into the answers.

1. Consider the economic difficulties Janek’s family faced in America. What did the family hope to find in America?

2. Do you think the teacher is right when she tells Janek the goal of education is to rise above one’s background?

3. Why do you think that the teacher stressed the idea that the son must be better than the father?
