Heartland : a memoir of working hard and being broke in the richest country on Earth

B SMA

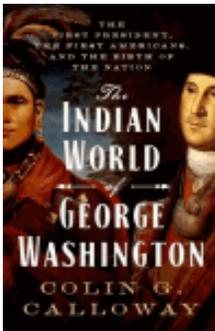

During Smarsh's turbulent childhood in Kansas in the '80s and '90s, the forces of cyclical poverty and the country's changing economic policies solidified her family's place among the working poor. Her personal history affirms the corrosive impact intergenerational poverty can have on individuals, families, and communities. Combining memoir with powerful analysis and cultural commentary, this is an uncompromising look at class, identity, and the particular perils of having less in a country known for its excess.

Hey, kiddo

B KRO

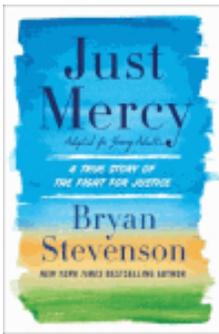

In graphic novel format author and illustrator Jarrett J. Krosoczka discusses growing up in a family grappling with addiction.

The Indian world of George Washington : the first President, the first Americans, and the birth of the nation

973. 41 CAL

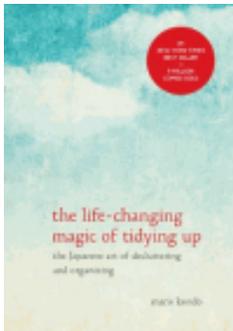

"Reveals fully the dimensions and depths of George Washington's relations with the First Americans"--Provided by publisher.

Just mercy : adapted for young adults : a true story of the fight for justice

B STE

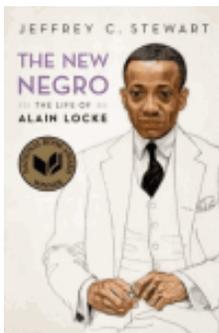

"Bryan Stevenson details from his personal experience his many challenges and efforts as a lawyer and social advocate, especially on behalf of America's most marginalized people"--Provided by publisher.

The life-changing magic of tidying up : the Japanese art of decluttering and organizing

648 KON

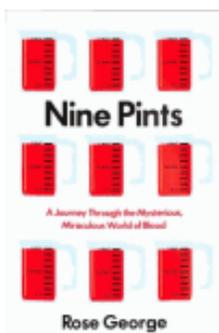

"This ... guide to decluttering your home from Japanese cleaning consultant Marie Kondo takes readers step-by-step through her ... KonMari Method for simplifying, organizing, and storing. Whereas most methods advocate a room-by-room or little-by-little approach, the KonMari Method's category-by-category, all-at-once prescription leads to lasting results."--Provided by publisher.

The new Negro : the life of Alain Locke

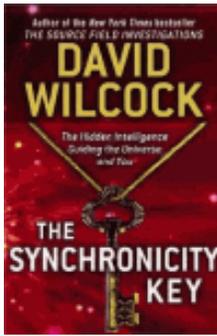

B LOC

A biography of Alain Locke that discusses his education, career as a professor, and promotion of the literary and artistic work of African Americans.

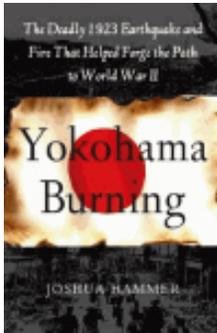

Nine pints : a journey through the mysterious, miraculous world of blood

306. 4 GEO

The synchronicity key : the hidden intelligence guiding the universe and you

130 WIL

Yokohama burning : the deadly 1923 earthquake and fire that helped forge the path to World War II

JP 952 HAM

Chronicles the two days of earthquakes, fires, and tsunamis that killed 140,000 people in Japan in 1923, drawing from diaries, letters, newspaper accounts, and interviews with survivors; describes the American-led relief effort; and discusses the role the disaster may have played in Japan's involvement in World War II.
