Fall 2017 FSC Student-run Community-Building Activity
Proposal Form
September 11, 2017

Name of student/peer mentor filling out the form on behalf of your FSC

Contact person’s UMB Email/cell phone number

Proposed Activity Title

Learning Objectives
Please list up to 3 main goals your community has for this activity and what you are hoping to gain as a result from participating in the activity that may positively affect your social and/or academic development

Why did you choose this activity?
Given that you could have selected from a number of activities, why the proposed activity will best address your objectives? (i.e. it is all-inclusive and all of the students are able to participate; logistics were more manageable; other perceived benefits)

Please describe your plan for the proposed activity
Please describe the activity and give a detailed description on the logistics, where it will take place, how long do you expect it to be, will you be driving or taking public transportation, timeline, ok to add url

Date & Time

Number of students participating/Total number of students enrolled
We strongly encourage the activity to be all-inclusive and hope the students came up with an option that can get everyone in your community to participate.

Alternative Date & Time

Estimated Cost
Please provide an estimate on food, supplies, space or equipment rental. The estimated budget available to your community is $10 per person, including your FSC instructors and peer mentors.
