UTAFITI
Journal of African Perspectives

c/o College of Humanities, University of Dar es Salaam

Aims and Scope
UTAFITI is the second oldest scholarly journal of the University of Dar es Salaam, circulating since 1976. We seek to publish scholarship that goes beyond the research report stage of conveying scientific findings and providing recommendations. We are particularly interested in papers that inspire or propose radical, alternative paradigmatic shifts, challenging and thereby enriching the standard, received view of Africa established through the international gaze.
