

<b>Project Dates</b>	<b>Principal Investigator (Co-PI/Student)</b>	<b>Funding Source (Award#; Award Amount)</b>	<b>Title of Project</b>
03/04/2012-03/03/2013	Watts, David	National Geographic Society (#8992-11; \$27,800)	Chimpanzee Behavioral, Ecology and Life Histories at Ngogo
05/25/2009 - 05/31/2012	Watts, David (Beuerlein, Melanie)	Leakey (Louis S.B.) Foundation (\$13,500)	The Aging Male Chimpanzee: Investigating Changes in Reproductive Effort, Social Networks and Endocrine Physiology at Ngogo, Kibale National Park, Uganda
05/01/2008 - 08/31/2012	Watts, David	Great Ape Trust of Iowa (\$10,000)	Chimpanzee Ecology at Mainaro, Kibale Forest National Park, Uganda: Nest Monitoring and Habitat Use
03/01/2008-08/31/2010	Watts, David Bribiescas, Richard (Anestis, Stephanie)	Leakey (Louis S.B.) Foundation (\$19,750)	Chimpanzee endocrinology through the lifespan: comparing wild and captive chimpanzees
12/14/2007-08/31/2010	Watts, David	Leakey (Louis S.B.) Foundation (\$15,000)	Developing Research at Mainaro, Uganda: Chimpanzee density, primate abundance, and vegetation features
04/27/2007-08/31/2009	Watts, David	Great Ape Trust of Iowa (\$10,000)	Ecology and Conservation of Chimpanzees and Other Primates at Mainaro, Kibale Forest National Park, Uganda
09/01/2005-08/31/2011	Mitani, John (Watts, David) (Vigilant, Linda)	National Science Foundation (#0516644; \$299,945)	LTREB: Long-term Fitness Consequences of Wild Chimpanzee Behavior
03/15/2003-08/31/2004	Watts, David (Aronsen, Gary)	National Science Foundation (#0244773; \$10,000)	Doctoral Dissertation Research: Habitat Effects on Positional Behavior and Fine Branch Use in Arboreal Cercopithecoid Monkeys
03/01/2002-02/29/2004	Watts, David (Teelen, Simone)	National Science Foundation (#0109999; \$7,300)	Dissertation: The Impact of Hunting by Chimpanzees ( <i>Pan troglodytes</i> ) on Demography and Behavior of Red Colobus Monkeys ( <i>Procolobus badius</i> ) in the Kibale National Park, Uganda.
12/01/2001-05/31/2004	Watts, David (Anestis, Stephanie)	National Science Foundation (#0120175; \$11,970)	Dissertation Research: Behavioral Style and its Endocrine Correlates in Young Chimpanzees ( <i>Pan troglodytes</i> )
04/01/1999-03/31/2001	Kidd, Kenneth Watts, David (Seaman, Michael)	National Science Foundation (#09900100; \$12,000)	Dissertation Research: Evolutionary Genetics of Gorillas ( <i>Gorilla gorilla</i> ) Using Nuclear Autosomal Haplotypes
Other Funding Sources:	-Yale University, Department of Anthropology		
	-Yale University, Provostial Research Fund		
	-Yale University, The Social Science Research Fund		
	-Leakey (Louis B.) Foundation		
	-National Geographic Society		
	-Primate Conservation, Inc.		
See curriculum vitae for additional funding sources in Uganda, Rwanda & other locations.
