NHPS Fall 2020
Back to School Resources
UP TO DATE AS OF 09/30/2020

Adapting to Virtual School
No matter whether you’re a parent, child, or teacher, going back to school during COVID-19 isn’t easy. Here are some resources to help:

- Read the full New Haven Public Schools reopening plan at nhps.net/Page/807
- Teachers are trained to teach via video on Google Classroom or Google Suite Apps. Students will use live video to interact with teachers and classmates. Documents will be shared with students using shared portfolios.
- For help navigating Google Classroom, see a "Parent's Guide to Google Classroom and Google Meet" in English: tinyurl.com/TPGTGC or Spanish: tinyurl.com/SPGTGC
- You can also view a video tutorial to Google Classroom in English here: tinyurl.com/nhpsvideo

Technology and Remote Learning Support
- For any technology or Google Classroom assistance, parents should first contact their child’s teacher or they can make an appointment for online or over the phone tech support at www.familyhelp.live (Available in multiple languages.)
- Additionally, parents can contact Typhanie Jackson, the lead of the Technology portion of the NHPS Reopening Task Force (Typhanie.Jackson@new-haven.k12.ct.us), if they need help adjusting to technology.

Wifi Access
- There are Wifi hubs at 13 public schools in New Haven.
- The schools with hubs are: Lincoln-Basset Community School, Truman, Betsy Ross Arts Magnet, Hill Central, Hill Regional Career, Fair Haven, Clemente Leadership Academy, the school that was formerly known as Christopher Columbus Family Academy, John S. Martinez, Strong, King/Robinson Magnet, John C. Daniels, and Riverside. Students 2-3 blocks away should be able to access the internet through these hubs.
NHPS Fall 2020
Back to School Resources

Student Technology Access

- Every student should have access to an NHPS iPad, Chromebook, or Dell laptop. Learning should be “1:1”, or 1 student per device, so that lessons seem 1-on-1 with the student and their teacher. For more details, see the Student and Family Technology Handbook in English (tinyurl.com/nhpshandbook) or Spanish (tinyurl.com/nhpsmanual).

Community Resources

- For a list of community resources, such as access to food pantries, discounted internet providers, and health resources, see this list: www.nhps.net/domain/110
- For details regarding pickup of free breakfast and lunch for all NHPS students, see here: www.nhpscnp.org

Additional Remote Learning Resources

- For a list of learning resources to support school instruction sorted by subject and grade, see this guide here: tinyurl.com/nhpsresources
- For another list of grade-level resources, see here: www.nhps.net/domain/118
- For more resources for parents and students covering a range of subjects such as social/emotional support and wellness, see www.nhps.net/coronavirus for the most up-to-date information.
