Greetings from Tusculum,

I am pleased to share with you that Tusculum is now offering an exciting **full-tuition scholarship** opportunity for exemplary academic students. Below are some details regarding the scholarship application process. I encourage you to let any of your qualifying students know about this chance to receive a full-tuition scholarship to attend Tusculum.

Qualifying, interested, and academically motivated students, may apply for the Trustee Honors Scholarship, which is awarded annually. This is a highly competitive, full-tuition scholarship awarded to no more than two students in each incoming class.

To be considered for this prestigious scholarship, students will need to complete the following steps:

- Maintain a high school grade-point average of 3.5 or higher
- Attain a composite score of at least 25 on the ACT or 1150 on the SAT
- Rank in the top 10% of high school graduating class
- Complete the general Tusculum application for admission and submit supporting documentation for that application
- Complete the Trustee Honor Scholar application found at www.tusculum.edu/trusteescholars/, including submission of a resume that reflects their achievements, activities and civic involvement
- Submit an essay responding to the following topic:
 - What does Civic Arts mean to you and how do you plan to exemplify Civic Arts in your daily life?
- Provide two letters of recommendation – one each from a teacher and a community leader
- Submit all of the above by the Trustee Honor Scholarship submission deadline: **March 1st**
- If chosen as a finalist, students will visit the campus to participate in a personal interview

Your qualifying students might also enjoy participating in Tusculum's Honors Program, which focuses on promoting cross-discipline dialogue between students and allowing participants to create a personalized plan of study that will lead to unique experiences designed to benefit students' individual goals.

Again, I appreciate your letting any qualifying students know about this new, full-tuition, scholarship opportunity. As always, feel free to contact me using the information below if you or any of your students have any questions.
