

HuskyCable HD Channels

NOTE: The HuskyCable HD channel lineup is subject to change. This channel listing is accurate as of January 1, 2017.

HuskyCable HD, a high definition cable television service, offers more than 60 broadcast and premium channels. This service is available to all students living in university-owned residence halls without a monthly cable bill or the hassle of a cable box. Information on setting up HuskyCable HD on your television can be found on the ITS website: northeastern.edu/its/howto/setup-broadcast

View the HuskyCable HD channel guide online

Visit the Comcast TV channel listing online: <http://tvgo.xfinity.com/tv-listings>. Enter 02115 as the zip code, then click the “View more service areas” link on the bottom left of the pop-up window. Scroll down and select HuskyCable-Northeastern University Boston Standard Cable. Click Save. Once that window closes you will be able to view the current TV listings.

A live programming channel guide is also available online through the XFINITY On Campus portal.
