What are Good Fellowship Points?

Good Fellowship Points / GFP
Goŏd FelŏSHip Pŏint (Noun)
Points awarded to Hall Governments in recognition of their efforts to foster a sense of community in and among Residence Halls.

This packet will act as your guide to GFPs and will outline the various ways to earn them throughout the semester. The Hall with the most GFPs at the end of each semester will win Hall of the Semester at the RHSA Banquet.

How do I earn GFPs?

It’s incredibly easy! You can earn your hall a ton of GFPs by attending RHSA events, participating in challenges, putting on programs, and through many more activities seen below. Additionally, there will be more opportunities and surprises throughout the semester that can boost your Hall’s GFP count. Be sure to stay on the lookout for them!

The GFP Counter is updated on a weekly basis and can be found on the RHSA website. If the GFP Counter doesn’t look right or if you have any suggestions, please don’t hesitate to approach me (the CCC)!

GFPs are rewarded on a numerical point-based system as outlined below.
