

The Past

since we sort of have the
~~the~~ same past

we both stemmed from
similar experiences, we sort
of support each other
through that.

Abbi

↳ knew each other freshman year of high school

↳ sat at the same table during the start of the year

I left the table that year → she left approximately a year later

↳ Junior year → have gym class with my friend Jen

↳ Abbi's in that class too

↳ eventually reconnect → joke around about

Progressively
we learned that ~~we had~~ ~~the~~ table ~~we both sat at~~
we had ~~the~~ table ~~we both sat at~~
we both sat at
