Notes from your second interview

- Bracelet, but also bought

- "Selfish gift giver"
- Alterer Motives?

because ("But..." or "Surprisingly...")

- Friends didn't like handmade gifts (rule), now she buys them. (Do you want present gifts)

- Family gets gifts in bulk

My partner had a bad experience once giving a few handmade gifts to her friends. They didn't seem to like the idea of a handmade gift. So, I thought she needed a way to always convince the recipients of her gifts that they love what they recieved, in order to avoid anyone's feeling being hurt...

Ideate: generate alternatives to test.

5 Sketch at least 5 radical ways to meet your user's needs. 5min

8 Needs to Determine the recipient is made a person or a way to give, but have evidence like together

write your problem statement above

Generousness

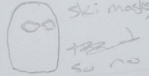

glasses

App that displays bought things (price) & also

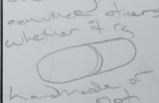

personal or meaningful things, watch reaction

Emotion having

feelings are hurt. To be worried about giving gifts

A pill gas take that increases lying ability, to convince others whether it is

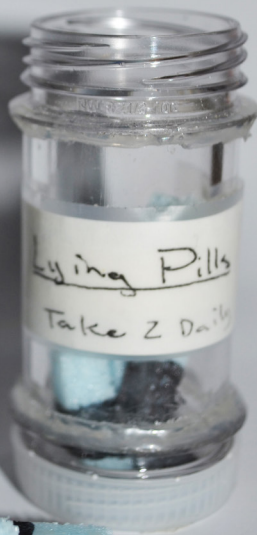

handmade or not

Lying Pills

(For Increased Manipulativeness)
