

Urban Water Systems Field Experience - Circle Line

Art can be created
using of recycled materials

Trash can be
reused

Waste isn't really waste
- it is part of a system

Collaborating
activities creates
a better design
and product

One Amazing System

- 5 boroughs – Brooklyn, Queens, Manhattan, Staten Island and the Bronx
- 3 rivers – East River, Hudson River, Harlem River
- Major bridges George Washington Bridge, Manhattan Bridge, Brooklyn Bridge, Williamsburg Bridge
