

THE HILLTOP SCHOOL

The Hilltop School is a K-8 center-based program for both classified and non-classified students who face a variety of learning challenges. The program provides a predictable and positive learning environment so that students are able to acquire the skills necessary for both academic and social success.

Academics utilizing best practices to meet the individual needs of each student

- Intensive academic support aligned with national Core Curriculum
- Differentiated instruction delivered in small classes
- Positive Behavioral Interventions and Supports
- Tiered literacy program (System 44, READ 180 and Expert 21) based on individual student needs
- Math program (Numbers World) designed to meet the diverse learning styles of students in K-8

An environment fostering social and emotional growth

- Strong therapeutic component incorporated daily
- Strength-based counseling and support plans provided by highly qualified clinicians
- Emphasis on the development of self-regulation and collaborative solving-problem skills
- 8th graders participate in community service projects

COLLABORATIONS

The “C” in BOCES is for cooperative, but it could also easily stand for “community” or “collaboration.” It is because of key community partnerships that we are able to provide quality support systems to our students. Our partners include the Family Resource Center, located on the Nyack campus, the Mental Health Association and innumerable other county agencies and organizations.
