FOCUSING ON CHILDREN

AND YOUNG ADULTS,

THE STUDENT SERVICES

DIVISION OR ROCKLAND

BOCES IMPLEMENTS

INSTRUCTIONAL STRATEGIES

DESIGNED TO EDUCATE AND

SUPPORT THE UNIQUE AND

SPECIAL EDUCATIONAL

NEEDS OF OUR STUDENTS

AND THEIR FAMILIES

*Using a team approach, our trained staff assists students with learning, physical, emotional, social and/or behavior challenges by providing a wide range of programs and services including academic instruction, social interventions, and extensive community support.*

*Teams of administrators work collaboratively, from center-based, self-contained services to district-based programs in more than 25 different public school sites across the county. All teams have access to wrap-around, psychiatric and other mental health supports, as well as services and linkages provided through the Family Resource Center (FRC).*

## SCHOOLS & PROGRAMS

### JESSE J. KAPLAN SCHOOL

Serves students ages 5-21 with developmental disabilities, including autism and intellectual disability. Using research based practices, each student receives an education unique to his or her abilities. *West Nyack campus*

### KAPLAN CAREER DEVELOPMENT CENTER (KCDC)

This is a satellite program for students ages 16-21. The program combines academic, community and vocational programming, so that each young adult graduates with work experience and key community skills. *West Nyack campus*

### HILLTOP SCHOOL

Students in grades K-8 benefit from a program focused not only on academics, but also on students' social and emotional achievements. *North Rockland*

### DISTRICT BASED & ITINERANT PROGRAMS

BOCES has classrooms and provides specific programs throughout the component districts. Programs for elementary, middle and secondary students, as well as itinerant services, are offered in more than 25 different sites. *County-wide*

### CBI TECH HIGH SCHOOL

This secondary program serves students with emotional, behavioral and learning challenges within a flexible learning environment. Research-based programs address individual learning styles and therapeutic supports are provided. When appropriate, students may participate in the Career and Technical Education Center. *West Nyack campus*

### RIVER VIEW HIGH SCHOOL

An alternative high school that provides intensive academic and therapeutic supports in a small, traditional setting. *BOCES Educational Resource Center, Nyack*
