Financial Aid: PELL Grant and Direct Student Loans are available if applicants meet Federal Student Aid eligibility. The FAFSA application is online at www.fafsa.ed.gov. This program of study is approved by (Service Employees International Union) SEIU 1199 and U.S. Dept. of Veteran Affairs for education benefits.

Eligibility Requirements for Federal Student Aid (Financial Aid):

- Have a high school transcript or state-approved high school equivalency credential or an evaluated foreign diploma stating secondary education is equivalent to U.S. high school education
- Must be U.S. citizen or eligible non-citizen
- Enrolled in the practical nursing program
- Registered with Selective Services (for male students only)
- Have no defaulted federal education loans
- Only undergraduates are eligible for Pell Grants

Refund Policy: Tuition refunds, when due, are made upon written request from the student on or before the first day of class. All fees associated with PN Administration, lab, and test fees are non-refundable. Refunds are calculated based on the amount of course completion and are processed within 45 days of the last day of attendance. The Federal Student Aid Title IV Refund Policy and Procedures will be followed as mandated by Federal Law. Contact the Practical Nursing Office at 845-627-4830 for further details of the refund policy of Federal Student Aid and R2T4 calculation.

Amount of refunds for self-pay students are determined based on the amount of the class completed as follows:

<u>% Completion of Enrollment Period</u>	<u>% Refund of Paid Tuition</u>
0%	100%
10% or less	75%
11% or less than 60%	20%
60% and over	0%
