

APPLY NOW

to become a **SCHOOL PROGRAMS VOLUNTEER** or **INTERN** for the 2021-22 school year!

- Seeking enthusiastic individuals (ages 18 and older) who enjoy working with children and are interested in learning and teaching about the ocean.
- Join our team of volunteer and staff instructors who lead hands-on marine science investigations for school groups visiting the Seymour Center.
- Work with live animals, inspire young minds, and learn how to lead interpretive tours to the marine mammal research overlook, blue whale skeleton, and more.

MAKE A DIFFERENCE for the ocean and HAVE FUN doing it!

- School Programs Volunteer training provides you with the tools to inspire ocean conservation and engage students.
- Training covers ocean science topics, marine mammal research, science education, and practice teaching and leading tours at the marine lab.
- Volunteers can apply for INTERNSHIPS. UCSC students are eligible for Environmental Studies internship credit.

APPLY NOW for the 2021-22 school year!

Download an application at seymourcenter.ucsc.edu to apply. All applications will be reviewed, and selected candidates will be contacted for interviews. The training series begins on January 12, 2022.

SEYMOUR MARINE DISCOVERY CENTER
Long Marine Lab, UC Santa Cruz

100 McAllister Way
Santa Cruz, CA 95060

The Seymour Center is dedicated to educating people about the role scientific research plays in the understanding and conservation of the world's oceans.
