

Grade 5 Field Trip

Student Contract

I understand that this field trip is an opportunity for me to learn through active and new experiences and explore and discuss what we value in our world outside the classroom. I realize that this requires me to have an open mind and take responsibility for my own learning and personal safety as well as my peers' safety.

I agree to do the following to make this happen:

- Show courtesy and consideration to others.
- Follow the rules and instructions of staff and other supervisors on the trip.
- Be an active participant.
- Look after myself and my personal belongings.
- Accept the rules set by the school for the event even if they are different from what is accepted at home.

I understand that my parent/caregiver will be contacted and they may need to pick me up if:

- My actions are considered unacceptable by staff.
- I break rules.
- I put myself or others in danger.
